Heemstede, July 05, 2017

Dear Board,

Accountant's Compilation Report

The financial statements of Europese Stichting voor Haematopathologie at Amsterdam have been compiled by us using the information provided by you. The financial statements comprise the balance sheet as at December 31, 2016 and the profit and loss account for the year 2016 with the accompanying explanatory notes. These notes include a summary of the accounting policies which have been applied.

This compilation engagement has been performed by us in accordance with Dutch law, including the Dutch Standard 4410, "Compilation engagements", which is applicable to accountants. The standard requires us to assist you in the preparation and presentation of the financial statements in accordance with Part 9 of Book 2 of the Dutch Civil Code. To this end we have applied our professional expertise in accounting and financial reporting.

In a compilation engagement, you are responsible for ensuring that you provide us with all relevant information and that this information is correct.

Therefore, we have conducted our work, in accordance with the applicable regulations, on the assumption that you have fulfilled your responsibility. To conclude our work, we have read the financial statements as a whole to consider whether the financial statements as presented correspond with our understanding of Europese Stichting voor Haematopathologie. We have not performed any audit or review procedures which would enable us to express an opinion or a conclusion as to the fair presentation of the financial statements.

During this engagement we have complied with the relevant ethical requirements prescribed by the "Verordening Gedrags- en Beroepsregels Accountants" (VGBA). You and other users of these financial statements may therefore assume that we have conducted the engagement in a professional, competent and objective manner and with due care and integrity and that we will treat all information provided to us as confidential.

Accounting policies

General

General policies

The financial statements are drawn up in accordance with the Dutch Accounting Standards applicable to foundations.

Accounting policies for the valuation of assets and equity and liabilities

Valuation of assets and liabilities and determination of the result takes place under the historical cost convention. Unless presented otherwise, the relevant principle for the specific balance sheet item, assets and liabilities are presented at face value.

Accounting policies for the income statement

Income and expenses are accounted for on accrual basis. Profit is only included when realized on balance sheet date. Losses originating before the end of the financial year are taken into account if they have become known before preparation of the financial statements.

Accounting policies for equity and liabilities

Current liabilities

On initial recognition current liabilities are recognised at fair value. After initial recognition current liabilities are recognised at the amortised cost price, being the amount received taking into account premiums or discounts and minus transaction costs. This is usually the nominal value.

Accounting policies for the income statement

Other operating expenses

Costs are determined on a historical basis and are attributed to the reporting year to which they relate.
